

Minimal Installation

The RDP Twin Head PACS Workstation requires minimal installation. The display and computer are integrated into a single unit which is mounted onto a single wall channel.

The keyboard with integrated trackpad is mounted on a height adjustable arm which fixes to the same bracket as the main unit. No other brackets or arms are required.

Clinical Usage

All accessible parts of the product, including the keyboard and trackpad, have been sealed or glanded to allow ease of cleansing with either alcohol or chlorine based infection control products.

Features of the Twin PACS Theatre Workstation include

- EN60601-1 Certified
- Twin 20" 2MP LCD Panels (Mono or colour).
- Sealed for ease of cleaning.
- Easy mounting arrangement.
- Manufactured and fully supported in the UK by RDP.

Part Code: WM20-41-215-2002 (Colour), WM20-41-315-2002 (Mono)

General	
Dimensions (mm)	Hx504 Wx752 Dx156
Weight	27Kg
Construction	Sheet Aluminium
Finish	Powder Coated
Computer	
CPU	Intel® Core2 Duo T2500 2GHz
Chipset	Intel® 945GSE / Intel® ICH7-R
Base Memory	2GB DDR2 SDRAM
HDD	320GB S-ATA
I/O Ports	4x USB2, 1 x RS232, 1xVGA (Slave), Audio
Networking	10/100/1000 BaseT (Optional Wireless)
AC Input	100-240V ~ 2A 50-60Hz
Max Power Rating	450W Max
Display Specification	
Screen Size	20.1"
Pixel Pitch	0.255 (H) x 0.255 (V)
Maximum Resolution	1600 x 1200 (2MP)
Colours Displayed	16.7M 32 Bit
Grey Scale (Mono only)	256 grade (8 Bit)
Contrast Ratio	Mono 1000:1, Colour 400:1
Brightness	Mono 700cd/m ² , Colour 300cd/m ²
Lamp Life	50,000 Hours
